

CreekFleet Race Course Options (rev.2):

(Note: The start/finish line is open on other legs of the course.)

Starting Sequence - At approximately 6:30pm (Summer) and 2pm (Fall):

<u>Signal</u>	<u>Sound</u>	<u>Time before start</u>	<u>Flag</u>
Warning	3 long	3 minutes	 Class Flag (or Red) up
Preparatory	2 long	2 minutes	 Blue Flag up (Prep)
	1 long, 3 short	1 minute, 30 seconds	 Blue Flag down
	1 long	1 minute	
	3 short	30 seconds	
	2 short	20 seconds	
	1 short	10 seconds	
	1 short	5 seconds	
	1 short	4 seconds	
	1 short	3 seconds	
	1 short	2 seconds	
	1 short	1 second	
Starting	1 long	0	 Class Flag down (Optional: New Class Flag up)

- See the diagrams on the opposite side for the standard race course layouts that we will be using.
Faster boats take long course (Orange 2nd buoy) - Slower ones take short course (Yellow 1st buoy).
- There will be either a red or green flag or sign at the committee station indicating the direction to go around the race course.
RED → marks to port (left side of the boat – counterclockwise around the course)
GREEN → marks to starboard (right side of the boat – clockwise around the course)
- All boats race once around the course, finishing back through the starting line:
Windward-Leeward – Look for course number **1** or **2**
Triangle course – Look for course number **3** or **4**
Triangle- Windward-Leeward - Look for course number **5** or **6**
- We will try to run at least two races each week. The next race start sequence will begin approximately 1 minute after the last boat crosses the finish line or 5 minutes after first monohull finishes.
- We will be scoring each race as a Delta-Time handicap. The first race that you are in sets your handicap (delta time from fleet average). The next race that you are in, that handicap will be used to rank you against other boats. Each time you race, your handicap will be adjusted with respect to the fleet average and used to score the following race (sort of like a bowling handicap). **Boats sailing the long course will also be scored under Portsmouth Handicap.**
- Each boat is required to sign up to act as Race Committee at least once each series** (Summer & Fall). Marc Meyer will sign you up for a date. If you cannot make it, please swap with someone else.
- Rules are very simple:
 - Avoid collisions
 - Starboard boat has right of way (Wind coming over the right side of your boat).
 - Within 3 boat lengths of a mark-inside boat(s) have right away
 - Have FUN!!!!!!

- Optional Flags:**
 -  Race Postponed (Flag will lower 1 minute before start sequence begins)
 -  Individual Recall (one or more boats over the line early-will lower after offending boats restart race)
